

Nexora Inc. Workplace Health, Safety, and Wellness Policy Version 1.1 Effective Date: February 1,

2024

- 1. Purpose** The purpose of this Workplace Health, Safety, and Wellness Policy is to outline Nexora Inc.'s commitment to providing a safe, secure, and healthy work environment for all employees, contractors, visitors, and stakeholders. We believe that occupational health, safety, and wellness is a fundamental aspect of our operations and crucial to the overall success and sustainability of the company. Nexora Inc. is fully committed to preventing workplace injuries, illnesses, and incidents by proactively identifying, assessing, and mitigating risks associated with our business activities.
- 2. Scope** This policy applies to all individuals working for or on behalf of Nexora Inc., including full-time, part-time, and temporary employees, as well as independent contractors, vendors, and visitors. It covers all Nexora Inc. facilities, remote work locations, company vehicles, and any off-site locations where company business is conducted. Compliance with this policy is a condition of employment and engagement with Nexora Inc.
- 3. Core Commitments** Nexora Inc. commits to the following key principles:
 - **Compliance:** We will strictly adhere to all applicable local, national, and international health, safety, and wellness laws, regulations, and industry standards.
 - **Risk Management:** We will implement robust systems to identify hazards, assess risks, and implement effective control measures to eliminate or minimize risks to the lowest reasonably practicable level.
 - **Continuous Improvement:** We will continually review and improve our health, safety, and wellness performance through regular audits, inspections, and incident investigations.
 - **Training and Awareness:** We will provide comprehensive and ongoing health, safety, and wellness training to ensure that all individuals understand their roles, responsibilities, and the hazards associated with their work.
 - **Consultation and Participation:** We will actively engage and consult with employees and their representatives on matters related to workplace health, safety, and wellness.
- 4. Responsibilities**
 - 4.1 Executive Management** The Executive Management team is ultimately responsible for the health, safety, and wellness of all personnel. They must allocate adequate resources, establish clear objectives, and demonstrate visible leadership in promoting a strong safety culture throughout the organization.
 - 4.2 Managers and Supervisors** Managers and supervisors are responsible for ensuring that the work environments under their control are safe and compliant with this policy. They must ensure that hazards are identified and controlled, employees receive appropriate training, and safety rules are enforced consistently.
 - 4.3 Employees and Contractors** All employees and contractors have a personal responsibility to work safely, follow established safety procedures, use provided protective equipment, and report any hazards, incidents, or near misses immediately to their supervisor or the safety department. No individual should ever perform a task they believe is unsafe.
- 5. Hazard Identification and Risk Assessment** Nexora Inc. requires proactive hazard identification and risk assessment prior to the commencement of any new project, introduction of new equipment or processes, or significant changes to existing operations. All identified hazards must be documented, and appropriate control measures must be implemented according to the hierarchy of controls (elimination, substitution, engineering controls, administrative controls, and personal protective equipment).
- 6. Incident Reporting and Investigation** All workplace incidents, accidents, injuries, illnesses, and near misses, regardless of severity, must be reported immediately. The Health and Safety Department will lead investigations into all reported events to determine root causes and implement corrective actions to prevent recurrence. Retaliation against any individual who reports a safety concern in good faith is strictly prohibited.
- 7. Emergency Preparedness and Response** Nexora Inc. will develop, implement, and maintain comprehensive emergency preparedness and response plans for all facilities. These plans will address potential emergencies such as fires, medical emergencies, natural disasters, and security threats. Regular drills and exercises will be conducted to ensure that all personnel are familiar with emergency procedures.
- 8. Workplace Violence and Harassment** Nexora Inc. is committed to providing a workplace free from violence, threats, intimidation, and harassment. We maintain a zero-tolerance policy for any form of workplace violence. Any individual engaging in such behavior will be subject to severe disciplinary action, up to and including termination of employment or contract, and potential legal action.
- 9. Alcohol and Drug Policy** The use, possession, distribution, or sale of illegal drugs or alcohol on company premises or while conducting company business is strictly prohibited. Employees must not report to work under the influence of any substance that may impair their ability to perform their duties safely.
- 10. Enforcement and Disciplinary Action** Compliance with this Workplace Health, Safety, and Wellness Policy is

mandatory. Failure to adhere to these requirements may result in disciplinary action. The severity of the disciplinary action will be commensurate with the nature of the violation and may include verbal warnings, written warnings, suspension, or termination of employment.

11. Policy Review This policy will be reviewed annually, or more frequently if required by changes in legislation, significant operational changes, or as a result of incident investigations.

12. Contractor Safety Management Nexora Inc. expects all contractors to maintain the same high standards of health, safety, and wellness as our own employees. Prior to engagement, contractors must undergo a rigorous safety pre-qualification process. Contractors are required to submit their own safety programs and site-specific safety plans for review and approval. Routine inspections and performance evaluations will be conducted to ensure ongoing compliance.

13. Occupational Health and Wellness Beyond preventing physical injuries, Nexora Inc. is dedicated to supporting the overall physical and mental well-being of our workforce. We will provide access to occupational health services, employee assistance programs (EAP), and wellness initiatives designed to promote a healthy lifestyle and manage workplace stress. Ergonomic assessments will be available to all office and field personnel to prevent musculoskeletal disorders.

14. Environmental Health Nexora Inc. recognizes the intrinsic link between occupational health and environmental stewardship. We are committed to minimizing the environmental impact of our operations through pollution prevention, waste reduction, and the responsible management of hazardous materials. Environmental health considerations will be integrated into all stages of our business planning and execution.

15. Communication Effective communication is vital to a successful safety program. Nexora Inc. will ensure that safety information, including policies, procedures, hazard alerts, and performance metrics, is communicated clearly and regularly to all levels of the organization through various channels such as safety meetings, notice boards, intranets, and training sessions. Feedback and suggestions for improving safety are strongly encouraged.
